Aerial Photography Examples

2015 Aerial Imagery
East-West Gateway Region
February 2016

This map depicts samples from the 2015 Aerial Imagery Project for the St. Louis Region compared with imagery obtained in 2012 and other freely available imagery sources. The East-West Gateway (EWG) imagery was flown in March and April of 2015 and February and March of 2012. Please contact East-West Gateway GIS staff for assistance or for a copy of the imagery. <gisservices@ewgateway.org>
